## Reference

We, Gian Clay Solution LLC issue this document as a reference to Metal Technology Group AD (Centromet AD) with the assurance, that MTG has been our partner for a long time.

During this period of time MTG (Centromet AD) has proved to us and to all of our customers in Ukraine that we did a right decision choosing this company as a producer of Roller shells for brick and tile industry.

In addition, MTG (Centromet AD) always provides information support to our company, carrying out professional advice on the entire range of their products.

We express our gratitude for the cooperation and look forward to further cooperation.

We have no reservation in strongly recommending (Centromet AD), as a future professional partner.

Director  
Gian Clay Solution, LLC

Chupryna Vladyslav
