

Reference

To whom it may concern

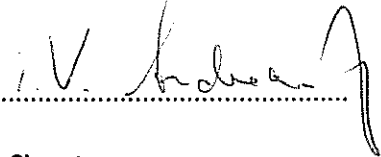

We, HAENDLE GmbH issue this document as a reference to Metal Technology Group AD (MTG) with the assurance, that MTG (Centromet AD) has been our partner and not only a supplier during more than 20 years. During this period of time MTG (Centromet AD) has proved, that we did a right decision choosing this company as a producer for some of our most important components, such as:

Roller shells for the Brick + Tile Industry

With this letter we would like to point out, that MTG (Centromet AD) is a reliable and flexible partner, with very good quality assurance and responsibility for the time scheduling and that we would not hesitate to recommend MTG (Centromet AD) as a business partner.
